

Syncropendence Fri 28th to 30th June 2019

Thank you for booking for Syncropendence 2019 off-road meet, we look forward to seeing you this weekend. You may arrive on Friday from 2.00 p.m. onwards.

Would you all please read the Site Rules (this is a requirement of the MSA insurance). **Can I also remind you that it is wild camping - in other words no facilities. You need to bring everything with you including water.**

This also means that rubbish must be taken from site at the end of the weekend, and if you need to pop 'into the woods' please ensure that you take a shovel and cover your tracks as it were! This field is grazed by livestock and waste, human or otherwise, cannot be left. Please also ensure that you pick up after your dog if you bring one.

Directions:

The campsite will be below the farmland site next to a meandering river. The site consists of most off-road challenges, steep hills, rocky climbs, boggy areas, a wade-able river and wooded areas.
