

# TigerBus Asian Expedition in a T3 VW Syncro 2011-12

Martin and Sarah from Germany recently completed a 300-days' trip all around Asia, 60000kms in a VW T3 syncro. From Turkey, via Iran and Pakistan to Nepal and India, shipping the bus to Malaysia, then via Thailand to Laos and all across China and Tibet into Mongolia. Through the heart of Siberia touching Lake Baikal and through most of Russia into the Baltic States and finally back to Germany.
